

Stockport2020 – video transcript

Video transcript of the song which plays at 1 minute and 10 seconds in the Covid Wheelers video.

Covid Wheelers club song

[acoustic guitar and female singing voice]

Close your windows pull your curtains

Barricade the oak front door

Not one toilet roll or tissue

Can be had from peak to shore

But those plucky Covid Wheelers

Won't be bound by ropes or chains

There's a whiff of veg samosas

Because they're coming 'round again

So give three cheers for the Covid Wheelers

Lycra clad from head to toe

Raise a glass to the Covid Wheelers

Here they come...there they go

In the year of 2020

All stitched-up and well locked down

There was silence in the country

Tumbleweed in every town

Half the world was glued to Netflix

The rest in an Aldi queue

It was clear that bloody Johnson

Didn't have a bloody clue

So give three cheers for the Covid Wheelers
Lycra clad from head to toe
Raise a glass to the Covid Wheelers
Here they come...there they go

But a way down in the Heatons
Where the skinny lattes grow
There were murmurings and rumblings
Soon a fuse was gonna blow
So they mounted up the Pinnacles,
The Marin and the Trek
And headed out for lands unknown
To the East of Offerton Rec.

So give three cheers for the Covid Wheelers
Lycra clad from head to toe
Raise a glass to the Covid Wheelers
Here they come...there they go

Down to Parrs Wood and through Cheadle
All the way to Wythenshawe
Over Bench Hill, up through Peel Hall
Checking numbers on the door
With a crumpled '50s photo
Of a gang of scruffy kids
Playing jump-rope on the corner
Of the street where she once lived

So give three cheers for the Covid Wheelers
Lycra clad from head to toe
Raise a glass to the Covid Wheelers
Here they come...there they go

Cyclists are simple people
Love the simple things in life
Just like pirates hunt for treasure
It's a piece of cake we like
Like those buccaneers of old times
We sing about in ballads
We're heading down the Oxford Road
Off to Subs and Spuds and Salads

So give three cheers for the Covid Wheelers
Lycra clad from head to toe
Raise a glass to the Covid Wheelers
Here they come...there they go

So give three cheers for the Covid Wheelers
Lycra clad from head to toe
Raise a glass to the Covid Wheelers
Here they come...there they go.
